Platinum Sponsor	\$1,000
Gold Sponsor	\$ 500
Silver Sponsor	\$ 250

**WHY:**

Despite the global effort to eradicate polio myelitis that launched in 1988, this dreadful disease is still endemic in three countries (Afghanistan, Pakistan and Nigeria). It primarily affects children and can cause lifetime paralysis and even death.

The Polio Plus fund of the Rotary Foundation has been the driving force behind the Global Polio Eradication Initiative. The GPEI's financial requirements for 2019-2023 are approximately US\$ 4.18 billion. Remarkably, since 1988, the number of polio cases worldwide has been reduced by 99.9%. We are so close—but it is estimated that unless we meet our goal of complete eradication, we could see as many as 200,000 new cases of polio in 10 years. Unless every child is vaccinated, no one is safe.
